

About us>>

Superlink logistics is one professional freight forwarder founded 2008 in Shenzhen, providing import and export forwarding solution connecting businesses in China and the world. Through years of exploration and experience from business buildup, branch offices were established in Hong Kong and Shanghai to efficiently facilitate import and export operation through respective gateway. Internationally, we have been actively expanding our network and are member of WCA/PPL/PLANET, servicing customers all over the world.
